# Next Up For Renz!

We are taking the next step in our evolution

It is with great excitement that we announce Roland Udenze will be focusing his full attention on leading our organization as President. A licensed Architect since 1995, Mr. Udenze has championed the delivery of several significant projects, winning multiple awards, and achieving the satisfaction of clients and end users alike. Roland's unique creativity derives from getting his inspiration from the very challenges that concern his clients
